DESIGNER: Carl A. Alberg  
 BUILDER: Pearson Corporation

Carl Alberg has done it again...in this smaller version of the fabulous TRITON.

This MORC Racer and Family Cruiser is an able performer in any sea. She is beamy and roomy for her length. Features include ample standing room; full length bunks; exceptional "livability" through good planning and the use of warm interior colors, low maintenance Formica, overhead liner, and teak interior trim.

Other features include aluminum spares and non-skid deck surface. Here's a fiberglass beauty you'll be proud of in any company. If you're looking for top value, look at the frisky ARIEL!
